About Us

SRI Executive is a leading Executive Search, Strategy and Leadership consulting practice in global development. For 25 years we have partnered with over 300 purpose driven organisations in 63 different countries to identify and support outstanding leaders and develop future-ready strategies that drive impact. SRI Executive's work is global- we are committed to helping clients and candidates wherever they are based. Our headquarters are in Dublin and our multilingual and multicultural teams are located across five different continents. We have also built a strong network of Advisors around the world who are leading experts in their respective fields. Our global team is committed to equitable representation. We bring diverse backgrounds, identities, ideas, and beliefs together to encourage collaboration, open communication, and integrity.

Our history of engagement in the non-for-profit sector demonstrates the breadth of our organisational experience, including partnerships with large multilaterals, nongovernmental organisations, bilateral programmes, and federated organisations. We focus on six key thematic areas including Global Development, Global Health, Development Finance, Sustainability, Education and Foundations.

Our core purpose is to help create a better world through the values that we hold, we act with integrity, we are genuine, we are committed, and we are collaborative.

About Our Strategy Practice

Through our strategy practice, we have honed our expertise in supporting the creation of successful and fit-for-purpose strategies and effective organisational development processes with leading international development agencies, foundations and NGOs, including several highly complex member-based organisations, to maximise their social impact. Our clients include the Global Green Growth Institute (GGGI), WWF International, Fairtrade International, FLOCERT, the Hewlett Foundation, RAMSAR Convention on Wetlands, the Global Innovation Fund, and the Green Climate Fund.

As a Senior Strategy Analyst, you will work with a high-performing, integrated team which focuses on a wide variety of clients and delivers a range of assignments focusing on strategy development, organisational design and development, governance and advisory services. You will have a diverse range of broad experiences which will give you continuous learning and development opportunities as well as a great sense of achievement.

This growing team focuses on building strong relationships which will ultimately help our clients reach their potential. Due to the variety of services we provide to our clients, the work requires a high level of adaptability, flexibility and innovation.

Role Purpose

We are currently seeking to hire a full-time permanent Senior Strategy Analyst to join our Strategy Practice. The Senior Strategy Analyst will play a key role in delivering exceptional service to our clients. They will support Consultants and Senior Consultants in the design, drafting and analysis and synthesis of findings in a project.

Major Duties and Responsibilities:

If you are a dedicated and intellectually curious Senior Strategy Analyst with strong analytic mindset who is interested in making a positive impact, we would love to hear from you. Working in a team environment, and with our clients, the Senior Strategy Analyst's responsibilities will include but are not limited to:

- Contribute to the design and build of analytical frameworks for data analysis and research needs, including, though not limited to focus group and workshop design, interview protocols and survey development
- Conduct qualitative and quantitative research activities including, though not limited to, desk research, sector landscape mapping, PESTLE, market and trends research, stakeholder consultation
- Gather relevant data through document analysis, research, interviews, focus groups and surveys
- Provide support to Project Team in the design and data capture for workshops, focus groups, meetings and interviews ▪ Synthesis of information into themes, trends and issues to support concrete recommendations

Major Duties and Responsibilities:

- Design and develop client-ready deliverables (reports and/or decks) in an insightful and structured manner, both written and oral
- Contribute to the development of content and approaches for the broader Strategy Practice
- Support business development opportunities through contributing to proposal development and sector opportunities
- Assist in the development and implementation of internal processes and practices

Qualities, Skills & Characteristics:

We are looking for our new team member to bring experience in:

- Minimum 2-4 years of relevant experience in fast paced domains such as management consulting, social innovation or a similar type of private sector experience; working for an international organisation (desirable)
- Bachelor's or Master's degree in political science, public policy, international relations, economics, statistics or related field, preferred
- Experience in business development and project management (desirable)
- Experience drafting high-quality presentations and reports for clients, complemented by strong oral communication skills
- Familiarity with statistical software and tools (an advantage)

Qualities, Skills & Characteristics:

Ideally, you will be a strong and enthusiastic team player with an entrepreneurial spirit, comfortable working in a fast-paced environment, excellent attention to detail and strong project and time management skills. Other desired attributes include:

- Strong analytical and research skills, both quantitative and qualitative
- Problem solving and critical thinking skills
- Ability to analyse and make sense of data, turn insights into conclusions and create impactful strategic recommendations
- Strong attention to detail, well-organised and ability to deliver on time
- Excellent communication skills with the ability to present information in a clear, compelling and structured manner, both written and oral
- Deep curiosity for how things work, how they are perceived and experienced by others and how to make them better
- Strong interpersonal skills and the ability to work as part of a team
- Strong and dedicated team player
- International approach able to work with a virtual team
- Highly proficient user of MS Office with a strong emphasis on PowerPoint and Excel
- Interest in Global Affairs and the International Development Sector
- Ability or willingness to contribute to business development through support bids for new business
- Familiarity with project management approaches, tools and phases of the project lifecycle
- International approach and ability to work with a virtual team

Join Our Team

SRI Executive offers career opportunities that are both intellectually challenging and have a positive impact on the world we live in. We partner with leading international mission-driven organisations to place and develop top leadership talent and co-create impactful strategies. By joining our team, you will be able to do what you are naturally good at, enhance your skills and knowledge, and continually grow and develop in your role.

The position is a full time remote working role based in Ireland or the UK. If you wish to be considered for this position, please send a copy of your most recent CV and a letter of Motivation to Peeui Sangalang at Strategy-Analyst@sri-executive.com
